# The flavour to feed your fire

All the way from farms in Southern Africa, PERi-PERi is the heart and soul of Nando's. Its story is our story! We believe that everyone benefits from more flavour in their lives, so we combine the soul food that is chicken, with the fire and flavour of PERi-PERi and the two come together on open flame-grills to create the unique taste of Nando's.

## Choose your flavour

PERi-PERi - the spicy African Bird's Eye Chilli - is mixed with fresh herbs, garlic, lemon and spices to make our uniquely flavoured bastings. Available in a range of flavours and heat levels, there is something for everyone - choose yours from the PERi-ometer.

### Extra Hot

Like tackling a ferociously fiery dragon.

### Hot

Highly combustible - proceed with caution.

### Mild

Hits the spot without scalding your tonsils.

### Lemon & Herb

A mere hint of heat but a tidal wave of flavour.

### Plain...ish

Marinated in PERi-PERi but grilled with no added spice. As mild as we go.
