

CHICKENLAND (PTY) LTD

**PROMOTION OF ACCESS TO INFORMATION
ACT MANUAL**

A copy of the manual will be available for inspection at Nando's Central Kitchen Offices and is available on the company website at www.nandos.co.za

INTRODUCTION

On 9 March 2001, new legislation was enacted called the Promotion of Access to Information Act of 2000 (herein after referred to as "PAIA"). The purpose of this legislation is to address Section 32 of the Constitution, which provides that any person has a right to gain access to any information held by a public or private body. If the record is requested from a private body the requester needs to prove that the record is required for the exercise or protection of a right.

One of the main requirements specified in the PAIA is the compilation of a manual by 32 August 2003 that provides information on both the types and categories of records held by the public or private body. In terms of the PAIA, a private body includes any former or existing juristic person. Therefore, Chickenland (Pty) Ltd is regarded as a "private body" and both the manual and the requirements regarding access must be in compliance with the provisions of PAIA relevant to private bodies.

In addition, the Protection of Personal Information Act of 2013 ("POPIA") amends certain provisions of PAIA, balancing the need for access to information against the need to ensure the protection of personal information by providing for the establishment of an Information Regulator to exercise certain powers and perform certain duties and functions in terms of POPIA and PAIA, providing for the issuing of codes of conduct and providing for the rights of persons regarding unsolicited electronic communications and automated decision making in order to regulate the flow of personal information and to provide for matters concerned therewith. POPIA promotes the protection of personal information processed by public and private bodies, including certain conditions so as to establish minimum requirements for the processing of personal information.

This document serves as the Chickenland (Pty) Ltd manual in terms of PAIA and POPIA, to provide a reference as to the records held and the process that needs to be followed to request access to such records. This PAIA manual also includes information on the submission of objections to the processing of personal information and requests to delete or destroy personal information or records thereof in terms of POPIA.

COMPANY OVERVIEW

Chickenland (Pty) Ltd (hereinafter referred to as "Nando's" or "the Group") was incorporated in South Africa in 1987.

Section

ACCESS REQUEST PROCEDURE

The purpose of this section is to provide requestors with sufficient guidelines and procedures to facilitate a request for access to a record held by the Nando's Group.

It is important to note that an application for access to information can be refused in the event that the application does not comply with the procedural requirements of PAIA. In addition, the successful completion and submission of an access request form does not automatically allow the requestor access to the requested record, especially if records cannot be found, or any other permissible grounds for refusal as provided for in PAIA.

Note:

If it is reasonably suspected that the requestor has obtained access to Nando's records through the submission of materially false or misleading information, legal proceedings may be instituted against such requestor.

Completion of Access Request Form

In order for Nando's to respond to requests in a timely manner, the Access Request Form on page 11 should be completed, taking due cognisance of the following *Instructions on Completion of Forms*:

- The Access Request Form on page 11.
- Type or print in BLOCK LETTERS an answer to every question.
- The requester should provide sufficient detail on the request form so that the record can be identified, indicate the form of access required, identify the right that they are seeking

to exercise or protect and an explanation as to why the requested record is required for the exercise or protection of that right.

- If the request is made on behalf of a person, the requester must submit proof of capacity or identity in which the requester is making the request to the satisfaction of the contact person indicated in section 51(1)(a).
- If a question does not apply, state “N/A” in response to that question.
- If there is nothing to disclose in reply to a particular question state “nil” in response to that question.
- If there is insufficient space on a printed form in which to answer a question, additional information may be provided on an additional folio.
- When the use of an additional folio is required, precede each answer thereon with the title applicable to that question.

Submission of Access Request Form

The completed Access Request Form set out on page 11 must be submitted either via conventional mail, e-mail or fax and must be addressed to the contact person as indicated in Section 51(1)(a).

An initial, **non-refundable R57.00 request fee** is payable on submission of a request and before processing of such request. This fee is **not applicable** to Personal Requestors, referring to any person seeking access to records that contain their personal information.

Payment of Fees

Payment details can be obtained from the contact person as indicated in Section 51(1)(a) and payment can be made either via a direct deposit, by bank guaranteed cheque or by postal order (no credit card payments are accepted). Proof of payment must be supplied.

Note:

If the request for access is successful an **access fee** will be required for the search, reproduction and/or preparation of the record(s) and will be calculated based on the Prescribed Fees as set out on page 17. The access fee must be paid prior to access being given to the requested record,

Notification

Requests will be evaluated and the requestor notified within 30 days of receipt of the completed Access Request Form. Notifications may include:

Notification of Extension Period (if required)

The requestors may be notified whether an extension period is required for the processing of their requests including:

- The required extension period, which will not exceed an additional 30 day period;
- Adequate reasons for the extension as permitted by PAIA; and
- Notice that the requestor may lodge an application with a court against the extension and the procedure, including the period, for lodging the application.

Payment of Deposit (if applicable)

The requestor may be notified whether a deposit is required. A deposit will be required depending on certain factors such as the volume and/or format of the information requested and the time required for search and preparation of the record(s). The notice will state:

- The amount of the deposit payable (if applicable); and
- That the requestor may lodge an application with a court against the payment of the deposit and the procedure, including the period, for lodging the application.

Please note:

In the event that access is refused to the requested record, the full deposit will be refunded to the requester.

Decision on Request

If no extension period or deposit is required the requestors will be notified, within 30 days, of the decision on their requests.

If the request for access to a record is **successful**, the requestor will be notified of the following:

- The amount of the access fee payable upon gaining access to the record (if any);
- An indication of the form in which the access will be granted;
- Notice that the requester may lodge an application with a court against the payment of the access fee and the procedure, including the period, for lodging the application.

If the request for access to a record is **not successful** the requester will be notified of the following:

- Adequate reasons for the refusal (refer to Third Party Information and Grounds for Refusal below); and
- That the requestor may lodge an application with a court against the refusal of the request and the procedure, including the period, for lodging the application.

Third Party Information

If access is requested to a record that contains information about a third party, Nando's is obliged to attempt to contact this third party to inform them of the request. This enables the third party the opportunity of responding by either consenting to the access or by providing reasons why the access should be denied

In the event of the third party furnishing reasons for the support or denial of access, our designated contact person will consider these reasons in determining whether access should be granted, or not.

Grounds for Refusal

Nando's may legitimately refuse to grant access to a requested record that falls within a certain category. Grounds on which Nando's may refuse access include:

- Protecting personal information that Nando's holds about a third person (who is a natural person), including a deceased person, from unreasonable disclosure;
- Protecting commercial information that Nando's holds about a third party or Nando's (for example trade secrets: financial, commercial, scientific or technical information that may harm the commercial or financial interests of the organisation or the third party);
- If disclosure of the record would result in a breach of a duty of confidence owed to a third party in terms of an agreement;
- If disclosure of the record would endanger the life or physical safety of an individual;
- If disclosure of the record would prejudice or impair the security of property or means of transport;
- If disclosure of the record would prejudice or impair the protection of a person in accordance with a witness protection scheme;
- If disclosure of the record would prejudice or impair the protection of the safety of the public;
- The record is privileged from production in legal proceedings, unless the legal privilege has been waived;
- Disclosure of the record (containing trade secrets, financial, commercial, scientific, or technical information) would harm the commercial or financial interests of Nando's;
- Disclosure of the record would put Nando's at a disadvantage in contractual or other negotiations or prejudice it in commercial competition;
- The record is a computer programme; and
- The record contains information about research being carried out or about to be carried out on behalf of a third party or Nando's.

Records that cannot be found or do not exist

If Nando's has searched for a record and it is believed that the record either does not exist or cannot be found, the requester will be notified by way of an affidavit or affirmation. This will include the steps that were taken to try to locate the record.
